BUSINESS BALANCE WITHOUT BURNOUT

The Blueprint for Sustainable Success

Every employee is likely seeking the answer to the eternal question: How do you juggle your job, your personal life, and staying sane? The research indicates a more balanced and mentally healthy employee makes for a more thriving work environment (it's also good for the bottom line and ROI).

Using her **Scientifically-Proven 4-Step Method** (MINDSET, BODY, TIME, TRANSFORMATION), Erica offers the roadmap to prevent burnout, boost productivity, and foster a thriving work environment. Attendees will leave with personalized insights and tools to shift their mindset, manage energy, optimize time, and transform daily routines—benefiting not just themselves but the entire workplace.

As the focus on well-being continues to grow in importance, this workshop offers a unique opportunity to make a lasting impact on your corporate community. Don't miss the chance to empower your employees with the knowledge and skills to lead with harmony, foster collaboration, and sustain their energy for long-term success.

MIND BODY EXPERIENCE

The Goal Setting, Journaling & Yoga Workshop

Looking for an **unforgettable team-building experience** to improve performance and collaboration skills amongst team members? Look no further than Erica's Goal Setting, Journaling and Yoga Experience. Elevate your team's motivation with a de-stressing yoga class to awaken the chakras (all levels welcome) followed by a journaling and goal setting workshop once their mind and body are ready and open to work.

Working with Erica's Bestselling **LIST YOUR GOALS JOURNAL: 100 Lists to Inspire and Motivate Your Growth** – map out personal, professional, health, and relationships goals. Attendees also leave with their own journal to begin their success path.
